# IT | SCHOOL OF IT
# *Showcase Website*

The existing IT Showcase website, but with an improved user interface and user experience for each different user of the website. Some additions include adding information on the 'About' page, a 'Gallery' page to showcase previous face-to-face showcases, as well as a 'Contact' page.

## Improvements included for the following users:

### Student

- Quicker project uploading and previewing.

### Administrator

- Assign the student role to a user.
- Preview and post projects.

**Project Members:**
Team 11 - Mihlali Booi, Kundisoyashe Chipika, Panashe Sithole, Boitumelo Skosana and Lwando Thuthani

**Supervised by:**
Elsje Scott, Walter Uys

**Sponsored by:**
Ammar Canani
