MYADVISOR OBJECTIVES

Code: CSC4010W Credits: 18 Level: 8 Semester: Whole Year

Outline:

For UCT students, MyAdvisor will make academic advising at UCT more accessible, efficient, and student-friendly by centralising all academic information on one website, providing an AI chatbot for question support, and connecting students directly to advisors relating to their questions.

For UCT staff, MyAdvisor will reduce repetitive administrative work by simplifying the management of academic information at UCT. Allowing staff to create, update, and maintain all academic content in one place, ensuring consistency across handbooks and advising resources.
