

## Creating a CV is hard

The CV wizard makes it easy for anyone

A good CV requires research, time and good writing skills

In SA, many blue collar workers rather just go without one

VitaWiz steps users through an intuitive process

The result is a professional looking, and fully completed CV

The only requirements are a device, internet and a few minutes

SANDRA JOHNSON

## **ABOUT ME**

I'm disciplined and enthusiastic person who seeks to take initiative, take life on and provide a revolution of change, read my goals and milestones to the best of my ability. I want the lor myself and those around me and shall live with that intent
